

What Is the Answer?

If you ask anybody in El Paso who sells the finest clothes—

"Why, Sol I. Berg, of Course"

Everybody who wears a **SOL I. BERG SUIT** is an advertisement for me, but my best advertisements are my competitors. For they will always say that "our suits are as good as **BERG'S SUITS**." I don't sell the "Just as good kind," but the **FINEST OF CLOTHING READY TO WEAR**. The only clothing which is in a class by itself. Our clothes speak for themselves. They are unapproachable in **STYLE, FIT and CORRECTNESS**. A glance at my **FURNISHING GOODS** department will tell you that I carry the finest, largest and most complete line in El Paso. Hundreds of articles that you will not find at any other store in town.

HATS—I am sole agent for the **MILLER** hat, acknowledged to be the finest and most correct by all well dressers. I also carry a complete line of **STETSON** and **SCHOBLE HATS**, too well known to tell you about.

Port Worth, Texas, May 12.—John Oswald, aged 60, hanged himself in a room in the San Antonio rooming house here last night and the body was found this morning by the proprietor, Charlie Keller. CACTUS LEAGUE DOPE

By N. M. Walker

It sounds like a really for sure big league to hear Douglas, Bisbee and Cananea talking of buying, trading and releasing players. Douglas wants Guy-nip to strengthen his team. Cananea is not using this player at the present time. Douglas proposed to trade, buy or exchange for the big chap with a loud voice. Nothing doing with Cananea. Bisbee wants Harry Kane to pitch for the Maroons. A pair of telegrams to O'Donovan and Kane made this want known. Nothing doing there. It's a big little league is this Cactus League.

The initial women's day at Washington park was pulled off Friday afternoon with good success. All women are admitted to the grounds free on this day and the women's day is to be a weekly feature of the games when the home club is in town. Next week the management may try the kids' day stunt by admitting all kiddies under 15 into the park free.

June fourth is to be El Paso day in Bisbee. This will be the occasion of the Mavericks' first visit to Bisbee, and a ball will be given at the opera house in their honor and a big celebration held. Bisbee is showing the spirit of the league this year and is setting an example in hospitality and good fellowship which would not hurt the other clubs in the league to emulate.

Ketchum can catch 'em. He can likewise bat 'em. This has been proved in practice and will be demonstrated in actual play in the present El Paso-Douglas series. Ketchum eats up a world of ground in left field and has his eye on the seam of the ball from the time it leaves the pitcher's whip until it comes in contact with his bat.

Florists say that a transplanted flower never does as well in its new environment as in the native heath. This is not true of the species famous baseball. E. R. Thornton was one of the leaders of the Douglas fan fare last year and he was even paid the compliment of being selected to manage the El Paso team by the Douglas papers when he decided to move from Douglas to El Paso. Thornton is as rabid a fan for El Paso as he was for Douglas last year. The first thing he did when the season opened was to have a lineup board erected at the park with the batting orders of the two teams displayed on it for each game. Recently he has been over Douglas way and has been talking baseball—El Paso baseball. His talk ran to this effect: "You can take it from me that El Paso has a mighty strong team and one that will make the others go some to win. I think El Paso will land the pennant of the Cactus League this year. The fans are enthusiastic and are giving Harlick and his men good support. All are looking forward to the games with Douglas the last of this week and they should furnish lots of sport." If all of the home grown fans were as loyal as this imported variety, what a great team El Paso would have.

The Warren district is fairly eating and sleeping baseball. The Maroons, while accredited to Bisbee, belongs by rights to the entire Warren district and is supported by all residents. Rooters' clubs have been organized in Bisbee, Warren and Lowell. Each division is to march in the big boaters' parade Friday night with a brass band at the head of each division. Cananea opens the season there and the celebration is in honor of the event. For live ones the Warren district gets the pup.

REFEREE MATTER IS NOT SETTLED; FIGHTERS BUSY

San Francisco, Cal., May 13.—The referee question is uppermost in fight talk here. Yesterday afternoon Jack Rickard, Johnson's first choice, met Tex Welch, and the fighter himself, while it was Eddie Smith who consulted with the two on the day before. Rickard does not deny fear of a deadlock as a result of the conference of promoters booked for Monday.

Johnson Stands Pat.
"I am still standing pat," said Johnson himself. "I maintain that I have named two good men who have the confidence of the public in California, and one of them should be satisfactory." "I will not accept the position unless it is right with both principals," said Welch. "Even if the promoters agreed on me, I would not accept it either of the fighters disagreed." George Little Johnson's manager, believes that an agreement will result on a California man.

Anti-Fight Forces.
Fear is still abroad regarding action of the anti-prizefight forces aroused by the McCarthy killing. Rickard does not admit that they have any chance, but says: "If it comes to the worst we can pull the fight off in Nevada." Johnson chopped two miles from his room yesterday, and played baseball before a crowd of fashionable visitors lined up in automobiles along the boulevard.

His first boxing is planned for Sunday. The heavyweight will go six rounds with George Cotton, Martin Cutler and Dave Mills. Jack says he has enough sparring partners.

Ben Leonard, Cal., May 12.—Jeffries continued his regular apparatus routine work yesterday and his trainers are pleased with the day's workout. There was no novelty introduced, and the heavyweight appeared to make a slight improvement in form.

Sam Berger left today for San Francisco to meet promoters in selection of a referee.

WADDELL'S SECOND WIFE HAS DESERTED

Browns' Pitcher May Be Forced to Cut New Orleans Off Visiting List.

George Edward Rube Waddell is having more troubles. As if his to-boggan from the top of the big league to a place down the line, with its accompanying troubles, was not enough for the duke of Ruberville, his second wife has left him, according to the Sporting News.

In the form of a New Orleans dispatch to the Sporting News the big fellow's troubles are told as follows: "The latest Mrs. George Edward Waddell is in this city. George Edward is in the east with the Browns. This is as close as Mr. and Mrs. Waddell will be for some time to come, according to Mrs. Waddell, who was Miss Margaret McGuire, of New Orleans. She has returned to the parental roof in the Crescent City.

"Rube is too crazy for me" was the laconic explanation of Mrs. Waddell, at the home of her mother, "I've quit him cold," added Mrs. Waddell.

"So that the might be no doubt of her position, Mrs. Waddell sent a telegram to 'Rube' at Detroit, some days ago, telling him that their dream of love was shattered. They were married three weeks ago at the home of friends in St. Louis and rumors of their estrangement became rife two weeks later. This is 'Rube's' second strike-out in the matrimonial league. He was unmarried out of the first marriage in the St. Louis circuit court, when he got a divorce from his wife living in Boston. Two months later he was married to Miss McGuire."

Suppose the fight does go to Nevada? Tex says it will if California is queered. Who cares as long as they fight?

Wouldn't it be a pretty sight to see Ducky Goveva wallop Halley's comet into the left garden of the sky. Met thinks Ducky would try it.

Heavy hitting won for Topeka at Omaha. A ninth inning rally of the home team did no material good. Jack Johnson is going to whoop it up Sunday with George Cotton, Martin Cutler and Dave Mills as human bage. Two rounds with each, maybe.

Record horses are being prepared at Newark by Herman Tyson as follows: Lake outperged Collins and St. Louis won over Boston in the Bean Burg.

Eight runs in the ninth inning were made by Sioux City at home. Wichita music seven runs in all.

Jack Welch has the proper idea about not accepting the referee job unless satisfactory to the fighters. They must be satisfied before anybody else. Joe Town knocked two pitchers out

of the box at Des Moines. It was a balloon match with the St. Joe club 17 runs up in the air, and Des Moines at the six station.

Just as a proper prize fighting Roosevelt, Jack Johnson is standing pat on the referee matter. Keep your spunk up black Jack, or they will hand you a package of green goods.

Eleven runs resulted from 14 hits for Oakland when they played San Francisco to awful defeat. One run was all for San Fran.

Johnny Thompson and Pete Sullivan, who met at Salsair Thursday night, celebrated their fourth fight with the knockout for the public's amusement.

In former battles Sullivan gained two decisions and Thompson one knockout; both happened again.

Big chief Bender of the Phillies shut out Cleveland Thursday. The home team made four runs.

It must have been a pretty little battle at New York Thursday night, Coulter and Phil McGovern are both lively.

Any fight at 115 is dainty, ladylike and perfectly proper. The champions were forced into their first extra inning of the season at Pittsburgh Thursday. Brooklyn, 11; Pittsburgh, 9.

Johnny Coulter is going out after another match with Frankie Burns, the eastern bantam. Johnny is hurt by the press reports of the recent battle and says he will not rest until he makes the eastern fans admit that he is the better man. Looks as if Johnny will have to score a knockout and then some, according to Stat Masterman, an eastern critic.

Tommy Burns is credited with saying that he is going to demand a side bet of from \$1000 to \$5000 from Sam Langford when they meet in Frisco Sept. 5. If Tommy thinks he is throwing any fear into the colored fighter he is mistaken. It will be surprising if Sam does not accept and then raise it \$5000. This fight should make one of the prettiest seen in years.

Antone Pierre, manager for Yusuf Mahmoud, is out with a statement that he will wager \$1000 that the Turk can throw Zybaco in a finish match, but demands that the match be held before May 30. Is it sour grapes with Pierre? It is a poor time to start upset after having had two chances to beat the Pole.

Another middleweight has come into the limelight. It is Mike Cantwell and he wants a chance at McGuffey. Cantwell has not been doing any great amount of fighting, but such men as Tommy Ryan and Hugo Kelly, who have boxed with him, say he is the goods. Probably a start for him will throw new life into that division.

Pal Moore of Philadelphia and Jim Driscoll, featherweight champion of England, are going to meet in battle in the east on May 25. This certainly will be some pretty fight as far as speed and cleverness is concerned.

And to hear Frank Mulken tell it, and Frank can judge fighters, Attell will be some match for this Driscoll boy when he gets here. Mulken says he saw Attell fight Murphy in the east recently and Attell's speed and cleverness, say nothing of his trickery and ring generalship, is such that one can only marvel at his greatness. "Too bad he isn't a lightweight and a good puncher," said Mulken.

"CLCONE JOHNNY" TAKES FIGHT FROM SULLIVAN.
Salt Lake City, May 12.—"Cyclone Johnny" Thompson, of Sycamore, Ill., gained a knockout over Pete Sullivan, of Fall River, in the ninth round of a one sided fight at Salsair last night. It was the fourth meeting of the two lightweight.

Sullivan had the better of the first go, but from the going of the second round the Cyclone led to the finish. The contest was scheduled for 20 rounds.

TWO FIGHTERS SUFFER FALLS; COULON HAD BEST OF GAME.
New York, May 12.—In 16 lively rounds before the Madison A. C. last night Johnny Coulon, of Chicago, outfought Phil McGovern, Terry's brother. Both of the bantams finished strong, but Coulon had well outpointed his opponent.

In the third round Coulon was floored by right hook to the jaw, but he rose to his feet and floored McGovern with a blow on the head. They fought at 115. Johnny Daly, of New York, challenged the winner.
